

NovaTech Customer Support Policy

Official Documentation - Version 2026.1

1. Shipping and Delivery Times

Orders placed Monday through Friday before 3:00 PM EST are processed within 1 to 2 business days. Standard domestic shipping takes 3 to 5 business days for delivery to all addresses within the continental United States. Express overnight shipping is available at checkout for an additional \$15 flat rate. Tracking numbers are automatically generated and emailed to the customer as soon as the carrier scans the parcel.

2. International Shipping & Customs

International shipments typically arrive within 7 to 14 business days depending on customs clearance. All applicable import duties and customs taxes are calculated at checkout and prepaid to avoid delivery delays.

3. Return Window and Refund Policy

We offer a 30-day money-back guarantee on all NovaTech hardware products. To qualify for a full refund, items must be in their original condition and include all original packaging, cords, and documentation. Refunds are credited back to the customer's original method of payment within 5 to 7 business days following warehouse inspection.

4. Warranty & Defective Equipment

Every device comes with a 2-year comprehensive manufacturer limited warranty covering mechanical and hardware failures. If your device arrives damaged or fails within warranty, NovaTech will provide a complimentary prepaid return shipping label and ship an advanced replacement unit.
